

Journey Together

We want to assist you and your firm with all that we've learned throughout our own journey. With strong business acumen and technically competent team, we can help you achieve business growth while maintaining a work-life balance

Partnership & Succession

We provide a complete suite of IT support services that allow you to focus on what's important - your business.

Who Are We?

We want to make technological things available at all times.

We can assist you with hardware & software procurement.

DellGallery.lk was founded in 2010. Since then, it has grown to become the best online store in Sri Lanka with offices in Colombo. DellGallery.lk specializes in the business of providing IT solutions to individuals and corporates. We have been specialized in this business since last 12 years with collaboration of reputed corporate clients in Sri Lanka. We are not only providing IT solutions, but also after sales services and warranty replacements as well. Our customers have been satisfied by our service to date. DellGallery.lk was created for all Dell innovative technology and services.

We aim to provide exceptional quality to our customers and cater to every aspect of their technological needs.

We have partnered with global IT suppliers and system manufacturers. Not only do we have the experience and capability to deliver these systems and software solutions to Sri Lankan businesses but the our team provides holistic IT support services that are tailored to each one of our client's needs and requirements. Additionally, our relationships provide the opportunity to pass on software licensing, hardware and IT infrastructure at the best possible prices.

We Offer

- Help Desk Support
- Laptops & Desktops. (All hardware & software procurement)
- Computer printers, scanners, copiers, tabs, network devices.
- Parts & Accessories.
- Annual Maintenances Support (AMC)
- Firewalls, Operating Systems, Microsoft Packages.
